

# Golden Boot Winners

The name and tie-breaking rules of top-scorer awards have changed over time. This page uses “Golden Boot” as a convenient modern label while preserving tied winners where the historical competition recognized them.

## FIFA World Cup top scorers

### FIFA World Cup top scorers, 1930 to present

| Year                 | Player(s)                       | Team     | Goals | Story                                                                                                                                                                                                                      |

## How it works

- The Golden Boot goes to a tournament's top goalscorer (or scorers) - it is a personal scoring award, not the team championship.

- Whoever scores the most goals across every match in that tournament wins it, counting goals from the group stage through the final.
- Two or more players can finish level on goals; earlier tournaments often recognized every player tied at the top, while modern tie-breakers may use assists or minutes played to separate them (see the notes under each table below).
- This page tracks two separate Golden Boot races, one for the FIFA World Cup and one for UEFA EURO, each with its own table of winners.

## **World Cup notes**

- Just Fontaine's 13 goals in 1958 remain the record for one edition.
- Modern tie-breakers may separate players with the same number of goals using assists and minutes played.
- Earlier editions often recognized multiple joint top scorers.

## **World Cup memorable moments**

- Guillermo Stábile won the first-ever FIFA World Cup Golden Boot in 1930, scoring eight goals for Argentina.
- Just Fontaine scored 13 goals for France in 1958, still the most any player has scored at a single World Cup.
- Six players finished level on four goals each in 1962 - the largest group of joint winners in FIFA World Cup Golden Boot history.
- Kylian Mbappé won the World Cup Golden Boot in both 2022 and 2026, the only player to win it in consecutive editions since 1930, scoring ten goals in 2026 for a personal best.

## **EURO notes**

- Michel Platini scored nine goals in five matches in 1984.
- UEFA's award rules have changed over time; joint leading scorers (marked “Multiple” in the Team column) are shown tied, with no single official winner for that edition.

## **EURO memorable moments**

- The first-ever EURO Golden Boot, in 1960, was shared by five players tied on two goals each.
- Michel Platini scored nine goals in five matches for France in 1984, still the most any player has scored at a single EURO.

- Cristiano Ronaldo won the 2020 EURO Golden Boot with five goals, in the tournament delayed to 2021.
- Six players shared the 2024 EURO Golden Boot on three goals each, the tournament's most recent edition.
