Copa América

Copa América began in 1916 and is the oldest still-running continental men's national-team competition. It was known as the South American Championship until 1975.

Copa América champions, 1916 to present

Paraguay 1 time

1999

Colombia 1 time

2001

Venezuela 1 time

2007

 How it works

- CONMEBOL's ten South American national teams compete, sometimes joined by invited guest teams from outside the region since 1993.
- The tournament's format has varied more than any other on this site: some early editions crowned a champion by final league-table standings, others by a home-and-away final, and most editions since the 1990s by a group stage into a knockout bracket.
- Copa América has not always run on a fixed four-year cycle, unlike the World Cup or EURO.

 Memorable moments

- Argentina, Brazil, Chile, and Uruguay played the first edition in 1916.
- Bolivia won its only title as host in 1963.

- Colombia won its first title in 2001.
- Chile won its first two titles in consecutive tournaments, 2015 and 2016.
- Argentina moved ahead as the competition's most successful team by winning in 2024.
