World Cup notes

- Just Fontaine's 13 goals in 1958 remain the record for one edition.
- Modern tie-breakers may separate players with the same number of goals using assists and minutes played.
- Earlier editions often recognized multiple joint top scorers.

EURO notes

- Michel Platini scored nine goals in five matches in 1984.
- UEFA's award rules have changed over time; joint leading scorers (marked “Multiple” in the Team column) are shown tied, with no single official winner for that edition.
